PRESIDENTS MESSAGE

Curling Season is Almost Here! The end of August draws mixed emotions for many people. On one hand, it is definitely a sign that summer is coming to a close. On the other hand, it means that curling season will soon be here and we can renew friendships, or possibly rivalries, with our fellow club-mates. The upcoming season promises to provide a friendly mix of the two!

I feel privileged to be selected as the 31st President of the Tartan Curling Club. I am excited by both the energy and ideas of our new General Manager, Scott Comfort, as well as the strength and diversity of this year's Board of Directors. We are committed to make the Tartan Curling Club the finest club in Saskatchewan, and strive to ensure that every curler regardless of age or calibre will enjoy the time they spend at our club.

Under the direction of our General Manager, the Tartan introduced some unique and exciting new features last year, and we will continue to build upon these in the upcoming season. Glow Curling was very well received last year. As a result, we hope to offer even more of these events throughout this season. Thanks to the Valley Girls, the quality of food and food service now available at the Tartan is second to none among our peers. Our lounge continues to be a friendly, comfortable environment for post-game reflections and celebration. Our Pro Shop will continue to offer quality curling equipment and apparel at very competitive pricing. I sincerely hope that, as members, you noticed the many positive changes that occurred last year. Our goal this year is to build upon the success we experienced from each of these last season.

On behalf of our General Manager and the Board of Directors, I'd like to extend you a warm welcome, or in most cases, welcome back to the Tartan for the 2009 / 2010 curling season.

Clint Krismer
President, Tartan Curling Club

BUILDING YOUR CLUB

The Tartan prides itself on its great club atmosphere and now has new programs to help build your clubs atmosphere. The Tartan's membership directory will be back next year and will include an all NEW Yellow Pages section. Team Clothing with Tartan logo's, and a used curling supplies sale two more ways the Tartan is looking to build your club.

Tartan Clothing for your Team

If your team is interested in getting new jackets, shirts, or any other clothing the Tartan will help you out. The Tartan will help you ordering the clothing, help you keep your costs low and all the Tartan asks in return is a small logo on the item. Show your club pride with Tartan Team Jackets, Shirts, or event hats. If you are interested in purchasing new team clothing contact the [Tartan Office](#) for more details. Tartan Golf Shirts, and hats are available now in the pro shop.

'09-'10 Membership Directory

In '09-'10 the Tartan's Membership Directory will be back. The directory will help you find out know, who you are playing and help you get in touch with them if you need to. A new added feature to the directory will be a yellow pages section. The yellow pages will offer a chance for Tartan members and sponsors to list their companies or workplaces. It will also offer a great place to find products and services offered by other Tartan members. If your company or workplace would benefit from a yellow pages listing, contact the [Tartan Office](#). Tartan members and commercial league members for the '09-'10 season will receive listings for FREE. If you would like to increase the size or detail of your listing, ask for the costs. Help us Build our directory so we can help build the clubs atmosphere.
